

## Environmental & Recycling Policy Statement

CompuWorks will protect the environment by maintaining the highest possible standards of recycling and reuse excellence.

These standards will be achieved by the quality and measurable execution of environmentally driven policies, procedures and processes that comply with all legal and regulatory requirements. The standards will be applied to our operations as well as the downstream process of recovery with special attention on focus materials.

The Management and Associates of the Company are fully committed to continual improvement as measured against the highest of environmental and industry standards.
